COME PIACE A TE / AS YOU LIKE

CITY ti da la possibilità di creare soluzioni complete in armonia con gli altri elementi dell'ambiente bagno.

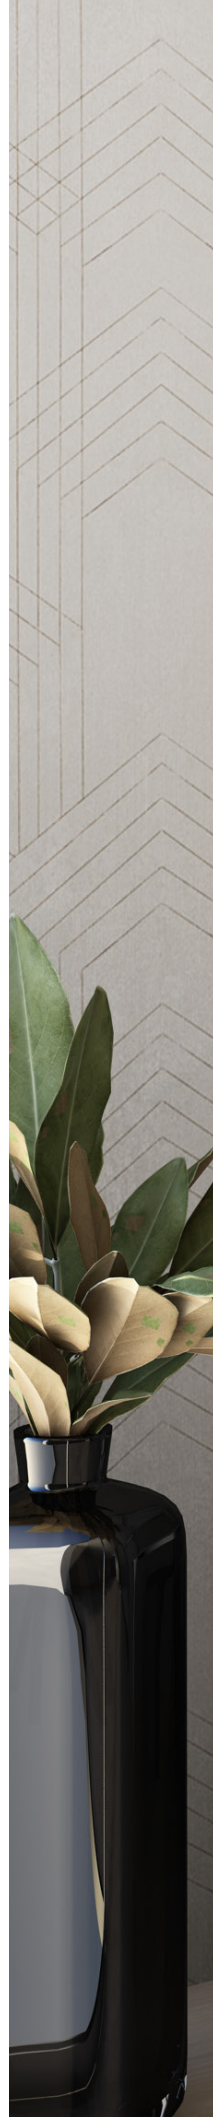

L'altissima qualità è garantita dalla realizzazione interamente in ottone nelle finiture cromo, pvd oro (lucido o spazzolato), pvd gun metal (lucido o spazzolato), pvd rame (lucido o spazzolato), bianco opaco e nero opaco.

I suoi componenti sono invece in pregiata ceramica lavorata dall'artigianato piemontese. Disponibili nelle finiture bianco lucido, bianco opaco o nero opaco.

CITY gives you the possibility to create complete solutions in harmony with the other elements of the bathroom.

The very high quality is guaranteed by the realization entirely in brass in the finishes chrome, pvd gold (polished or brushed), pvd gun metal (polished or brushed), pvd copper (polished or brushed), matt white and matt black.

Its components are instead in precious ceramic worked by Italian craftsmanship . Available in glossy white, matt white or matt black finishes.
